JJR/SW/

26th May 2010.

Dear Parent / Carer,

As part of our bid to improve the environment and to support the global community we have been in contact with a company called RagTex which collect and recycle textiles from around the UK, they then redistribute them around the world. In return for every kilogram donated the College will also receive 30p towards College Funds.

Therefore, if you have unwanted items from the list given below, please can you bring them into College via reception where they can be deposited in the Red Clothing Bank. All donations should be placed in a sealed plastic bag or sack; no 'un-bagged' items please.

Items which can be deposited in the Bank include:

Books
Shoes and Clothing

The Bank will remain on College premises until further notice.

All donated items will be exported to those in need around the world; places include Africa, Asia and Eastern Europe.

If you require further information about this scheme then it can be found on the RagTex website at www.ragtexuk.com or by contacting our Finance Officer Mrs Murray at the College.

Yours Sincerely

John Rooney
